BRANCH BUZZ

Stephanie Carter, Co-President

On April 14, we will hold our Annual Tea fundraiser. This year, instead of the “talent” portion of the program, Penny Hansen and Anne Redman are arranging a Trunk Show. Please donate jewelry and accessories (hats, scarves, purses) that you no longer wear. These items will be available for sale at the event. Please donate, and plan to attend!

The services AAUW members and other groups provide to our community is essential to maintaining the health of our community. The thousands of volunteer hours that individuals give to their libraries, food banks, scholarship fundraising events, etc. help to counter the effects of the poor economy, high unemployment and decreasing state and local budgets.

Thinking back, I can remember twice when a women’s group assisted me. The summer of my high school junior year I was chosen to attend Evergreen Girls’ State, a week-long program sponsored by the American Legion Auxiliary. The Daughters of the American Revolution paid for me to participate. I spent a wonderful week at Central Washington University with other girls from throughout Washington State. We learned about the functioning of our government by forming city and county governments, holding party conventions (each girl was assigned to either the Federalist or Nationalist party), and electing representatives and a

governor. We drafted and defended legislation and heard presentations by several of Washington’s government officials.

When I graduated from high school, the local Soroptimist branch gave me a \$500 scholarship, which paid for most of my books for the first year of college.

Now, it’s my turn to give back to my community. Please join me in giving to our community by attending and assisting with our Lake Oswego AAUW fundraising events.

AAUW Funds Judy Hale

Our Lake Oswego AAUW Branch sent a donation of \$1000 to AAUW Funds in December. The board divided the donation between the Educational Opportunities Fund and Legal Advocacy Fund.

Individuals in the Lake Oswego Branch donated over \$1000 to AAUW funds between September and December, 2011.

We can be very proud of our AAUW branch, having given over \$2000! There have been large and small donations. Some members have donated to AAUW funds as a tribute to someone, which is an inspirational way to recognize a loved one.

Our gifts honor the mission of AAUW in supporting the crucial work of promoting equity for women and girls. Let’s keep giving!!

WHO'S WHO?

Rosario Cabral, Program Vice President

Rosario Cabral

Rosario Cabral and her husband Dick, transferred from Winston-Salem, North Carolina to Portland, Oregon in 2005. Rosario and her husband are the owners of Ergonomix Associates, LLC. Her role as a manufacturer's representative includes the representation of several companies which provide products primarily used in the commercial industry. Some of the largest customers they do business with include: McDonald's Restaurants, Whole Foods and, Anthro, an Oregon based company.

Rosario enjoys the flexibility her job offers and the opportunity to incorporate work with travel thus creating the ability to explore the Pacific Northwest, Canada, and Southern California. When not traveling for work or leisure Rosario spends her free time pampering Bentley, her Bedlington terrier, tending her garden and volunteering at several ministries in her church.

Rosario earned a Business and Leadership Degree in 2007, and a Master's Degree in Business Administration with a concentration in Organizational Behavior in 2011, both from Marylhurst University. During her time at Marylhurst she met Lynn Brown, Director of Career Services. Lynn invited Rosario to become a member of AAUW Lake Oswego Branch. Although Rosario became an AAUW member, time constraints did not permit her to actively participate in AAUW activities.

Since completing her education, Rosario has more time to focus on being an active member of AAUW and is thoroughly enjoying her role as VP of Programs. She proudly attributes the success of the monthly program events to all the guidance and

suggestions she receives from members. In Rosario's words "being a member of the AAUW Lake Oswego Branch has widened my circle of friends and I look forward to casting that net far and wide."

Susan Kingzett, Interest Group Coordinator

Susan Kingzett is a native Oregonian, being born in Roseburg, and moving to Portland, at the ripe age of 3 weeks. She was raised with two brothers, a black lab and a kitty. She attended Rose City Grade School and both Grant and then Madison High School when the latter was built. Off she went to The University of Oregon from which both of her parents had matriculated. She was very sheltered since she had all four of her grandparents and all of her first cousins land her aunts and uncles living nearby in Portland.

Pre-nursing was studied first, and then elementary education. She became a teacher in Eugene, West Covina, CA, Oakgrove, Albany, and in Milwaukie. During this time she earned her MAT at Lewis and Clark and her basic administrative degree at Portland State. She taught 6th, 5th, 4th and 2nd grades and enjoyed them all.

Susan married her cowboy husband, Ed Kingzett, 23 years ago. He was a confirmed bachelor and the eldest of 7 boys. She had her work cut out for her, but has managed well since she grew up with boys. She skied and sailed, and enjoys football, basketball, rodeos, as well as travel. They met through the process of starting an alumni group for the U. of O. in Portland. Susan was in charge of all of the activities for two years, was the treasurer for 2 years, and then became President and was on the National Board. There are no more avid Ducks than Susan and Ed!!

Art has always been of interest to Susan. After teaching, she took up watercolors, has progressed, and is now juried into The Watercolor Society of Oregon. Ed is very supportive, they jointly send out their Christmas cards with Susan's paintings and Ed's letter. They both love art galleries and taking photos for future projects.

Susan has been a member of AAUW in LO since 1994. She's done Public Policy, four years of Program Co-chair, and many years of Interest Group Chair and Exploring the Northwest Co-chair. She's made many friends within the group.
