*Board Planning Meeting  
June 27, 2015*

Location: Home of Susan Hornung

Time: 9:00 a.m.

Members are invited to attend the Board Planning Meeting on June 27 at 9:00 a.m. Each year the board members hold a planning meeting to set goals for the coming year and to decide what fundraising activities we will focus on.

We welcome participation in this planning process by the larger membership. Please let Pat Squire know if you plan to attend.

*Editor's Notes*

1. There will be no branch newsletter in July and August.
2. Please remember to mail in your membership renewal form as soon as possible (see page 6).
3. Renewals must be received by August 15 for your information to be included in the directory.

### *Hale & Hearty*

by Judy Hale, President

This will be my last column as your president. Pat Squire will take over as president in July. Our May luncheon, during which we hold our officer installation ceremony, was cancelled. However, the three officers whose terms commence in July will still begin their work. In September, at our first meeting of the year, we will install the following officers: Pat Squire, as president, Margaret Ricks, as programs vice-president, and Jane Taft, for another term as secretary.

For the next two years, I will continue to serve on the branch Board, both as past-president and as the representative to Inter-Branch Council. The latter position means I will attend five meetings each year and share what Lake Oswego is doing with other branch representatives in our area, including Tigard, Beaverton, Gresham and Portland.

I want to thank all of you for your help and support these past two years. Serving as your president has been a very pleasant adventure. The board has been a great experience. We have a lot of talented, smart people on our board. I look forward to continuing to serve as part of the board and seeing what new ideas emerge.

I am sure we will continue to have interesting mission-based programs each month. We also have our beautiful new brochures and our business cards to use in promoting AAUW and in soliciting new

members. We also will continue to be a part of Lake Oswego Reads.

Watch for an email containing information about a new summer event: a branch booth at the Lake Oswego Farmer's Market.

I encourage all of you to seek ways to become more involved with AAUW; it is so rewarding.

## *New Member Profile: Pat Nida*

By Penny Hansen

Pat Nida earned her BS in Special Education and her MS in Education at the University of Oregon. After a brief interval she completed her PhD at the University of Washington in Curriculum and Instruction with an emphasis on Early Childhood Development.

After receiving her PhD she taught at UW for awhile. Then she married Ross Nida, a career military officer. She would have been a professor, but they moved frequently. However, she did find

time to teach at Marylhurst University and was an assistant professor at the University of Oklahoma. They were married 39 years before he passed.

While being a military wife, Pat noticed that there was no oversight for the military day care programs. She started the Military Child Care Task Force in conjunction with the National Association of Early Childhood Education (NAECE). This resulted in setting safety upgrades, fire prevention policies and the development of appropriate early childhood teaching standards for all military day care centers.

Pat Nida Profile, continued from page 5.

As a result of developing the above program, Pat became a consultant to the State Department and all branches of the military. She was the first person to address the interconnectedness between a military man's family and the success of his mission/career. The emphasis was on family issues and then relocation of the family for returning service members.

Pat next started a company called "Nida Training and Development Group." It was for United States companies and it dealt with major issues of general relocation and stress management. She wrote several books and numerous articles, one of which is "Job Hunting for the Mobile Spouse."

After Pat's husband Ross Nida retired, they returned to Lake Oswego where Pat had attended Lake Oswego High School and where her mother lived. Her mother was Marjorie Cooney, a well-known community activist. They arrived with two young children, Dean and Katy Nida and an older daughter Kimberli Ransom.

Pat became a Senior Associate at the Northwest Regional Education Laboratory. She traveled the entire Northwest -- five states. Her assignment involved low income school districts within this large area. One of her rewarding projects was developing hands-on curriculum integrating the story of Lewis and Clark on their journey through the Northwest.

Pat owns "Patty Kay's Fiber Garden." This business includes fiber dyeing and three dimensional fiber art. Pat is also a gardener and an artist. She is looking forward to being an active member of our branch.
